Richard/Stephen:

I just received a call from, Warren Fusiler of Plains Marketing, neighbor to the north of the north portion of the refinery about piping coming from the Falcon facility that deadheads on their property that has leaked. Please contact me asap to let me know what e going to do. Also, the number for Warren is 713.646.4515 or (b) (6) I would also like to know the status of the facility and your completion of the removal actions.

Thanks
